Nancy Leon is an Associate in Tyson & Mendes's Fresno office. Her practice focuses on personal injury defense.

Prior to joining Tyson & Mendes, Ms. Leon worked as an office administrator and case manager at a plaintiffs' personal injury law firm for over 10 years. Her time there has given her insight into how plaintiffs' attorneys think and allows her to anticipate common plaintiff strategies. Ms. Leon is admitted to practice in California.

Ms. Leon obtained her J.D. from San Joaquin College of Law in Clovis, California. While in law school, Ms. Leon worked full time and was a member of her law school's student organizations: Law Students for Community Advancement, Delta Theta Phi, and Lawsuit. While a student, Nancy participated in local record expungement clinics and helped low-income migrants obtain free representation. She obtained her B.A. in Business Administration from the University of Phoenix.

In her spare time, Nancy enjoys spending time at her parents' locally owned cattle farm. She enjoys watching home improvement shows, hosting sporting events, and traveling with her family.
